51. Read the story below and answer the questions that follow in full sentences

A VISIT TO BINT HOTEL IN DUBAI

During December 2022 holiday, my family travelled to Dubai for a family holiday. I went with my two parents, my elder brother and younger sister. We booked in hotel called Bint Hotel which is found in the central part of Dubai.

We left Uganda at 7:30 am and arrived at midnight. On arrival, we were received by my aunt Mrs. Ddamba who works in Bint Hotel as a General Manager. She took us to the reception for a check in. She told one of the workers there to take us to our booked room. The room had a flat screen and a play station.

After showering, we had some snacks and then slept. The following day after taking breakfast, we went to a recreation centre where he had a lot of fun until the time for our lunch.

We had lunch in one of the restaurants in the hotel. Waiters and waitresses were ready to serve us.

During our stay in the hotel, we visited some healthy clubs like the sauna and the gym and of course not forgetting swimming which was done daily. The last day in the hotel was for packing and getting ready to be checked out. Early in the morning, we got our luggage out to the lounge and waited for our flight back to Uganda. It was a very interesting trip.

52. Read the poem below and then use it to answer, in full sentences, the questions about it.

Everything on earth
Was created on purpose
And so are the parts of a vehicle.
A vehicle is called so
Just because it is made up of many parts
These parts act differently
Without one, that's a problem.

The engine produces power,
But that isn't enough.
Tyres are needed for support
A steering wheel for control
At night one needs a headlamp most
When it rains, the windscreen is important
As the wipers are very active.

You want to turn either side,
Use an indicator to stop confusion.
Got an obstruction,
The brake pedal is the solution.
The home for luggage is the boot
But remember, before you set off,
Fasten your seatbelt first
For safe drive, saves life.
