SECTION B: 50 MARKS

Questions **51** to **55** carry ten marks each.

51. *Read the passage below and then answer, in full sentences, the questions that follow.*

Berabera Town Council is one of the busiest places in our district. It is the only town council where there are two market days in a week – Tuesday and Saturday. On these days, it is full of people.

A few years ago, people were throwing away plastic materials just anywhere and anyhow. Nobody minded about the proper disposal of these materials. Two friends, Mujuni and Ateyot, were however, not pleased with this. They had learnt from their teachers how dangerous such materials are to people and their environment.

First, the materials do not decay, so they destroy the soil by preventing air and water movements. Secondly, they may contain water in which mosquitoes lay eggs. Thirdly, they make the environment look ugly.

The two friends had also learnt that a number of items could be made out of these materials. They learnt this when they had an educational tour in Jinja.

One Saturday morning, Mujuni and Ateyot decided to move from place to place, picking plastic materials. This shocked the residents. They thought the two friends had gone mad. For sure they had seen only mad people do such a thing. Even their own parents were shocked to see them.

"What's the matter with the two of you?" Ateyot's father asked. "This is so embarrassing!"

Ateyot smiled and asked her father to wait and see. In fact, they knew what they were doing. A few days later, they began making items out of the plastic materials they had collected. They made bags, mats, dolls, sandals, toy cars and belts, which they sold and earned money. With their earnings, they bought waste bins which were placed at most shops and stalls. They also bought tree seedlings which they distributed to communities around.

Today, everybody is happy with the two friends. Last week, the area Member of Parliament visited the town council. She donated two million shillings to them. When she was invited for a talk show on Rock FM, she declared Mujuni and Ateyot heroes. She advised the youth in the district to wake up and protect their environment.

A wonderful place
My school is,
Surrounded by a beautiful hedge,
And with classrooms
Spacious enough and kept neat.

A wonderful place
My school is,
With knowledgeable and friendly teachers
Teaching us in two languages,
Our local language and English.

A wonderful place
My school is,
How comfortable we feel
When our teachers make learning
Really enjoyable for us all.

Fellow children,
Come to our school
And have fun
As you study different subjects,
Come and have the best education.

Girl:

Officer: Good afternoon, girl.

Girl:

Officer: A zebra crossing is a black and white path across the road where vehicles must stop for people to walk across safely.

Girl:

Officer: Yes, drivers will stop when they see you standing at the zebra crossing.

Girl:

Officer: Yes, there is a zebra crossing near here. Let's go there so that I may help you cross the road.

Girl:

Officer: You're welcome. Helping young children like you is one of my duties.

Girl:

Officer: Goodbye Brenda!
