51. Read the passage below and then answer, in full sentences, the questions that follow.

Born in a nuclear family where education is highly valued. Albert has always been provided with everything he needs at school. This has made him happy as he enjoys studying from Great Primary School.

Albert used to spend most of his holidays watching television and playing video games. When he was promoted to P.7 this year, things have changed. He is supposed to concentrate on his studies as he prepares for PLE in November. This forced him to make proper holiday plans before he broke up for first term holiday. This time round, he added more activities on his plans. These included; carrying out revision twice a day, attending remedial classes from Monday to Thursday and doing the holiday assignment. He also planned to celebrate his birthday on 20th May, 2024.

When Albert's parents saw the holiday plans of their son, they were happy. They thanked him for being a hard-working boy. They finally encouraged him to aim at getting a super first grade in PLE.
